

Concert Grand Full Installation

Installing Concert Grand requires downloading and installing the presets and the samples.

Once the samples and presets are downloaded, simply moving the samples into their respective presets folder gets Concert Grand ready for launching in Kontakt.

Concert Grand Receipt Presets Download.

After completing the checkout, a receipt gives you the option to begin downloading the presets.

Thank you for purchasing Concert Grand!

I'm excited to get Concert Grand into your hands, but it's a BIG library and will take some time to download!

The presets for Concert Grand are available for download above. The samples require a downloader app.

Shortly, you will receive an email with your license code and instructions on how to download and install Concert Grand samples using Conduct, the installer app. This email usually only takes about 2 minutes to send, but can take up to 24 hours.

If you would like to get a head start on installing, you can download Conduct, the installer app, here:

Concert Grand Email Presets Download

Alternatively, you can download the presets from your email receipt. There is no need to download the presets twice if you downloaded the presets from the website receipt.

The screenshot shows an email receipt from Production Voices. At the top is the logo for "PRODUCTION VOICES" with a speech bubble icon. Below the logo is a blue banner that says "Your order is complete". The main body of the email contains a greeting: "Hi there. Your recent order on Production Voices has been completed. Your order details are shown below for your reference:". Underneath is a section titled "Downloads" which contains a table with three columns: "Product", "Expires", and "Download". The table has one row with the following data: "Concert Grand - Mac Digital Download" in the Product column, "Never" in the Expires column, and "Concert Grand Presets" in the Download column. A red arrow points to the "Concert Grand Presets" link. Below the table is a section titled "Order #9974 (August 17, 2018)" which contains another table with three columns: "Product", "Quantity", and "Price". This table has one row with the following data: "Concert Grand - Mac Digital Download" in the Product column, "1" in the Quantity column, and "\$329.00" in the Price column. At the bottom of the email, there is a thank you message: "Thank you for purchasing Concert Grand! Concert Grand Presets Download

After downloading both the presets and the samples, place the samples in the presets folder as shown.

The downloaded presets will have a folder structure as follows:

Rename Folder

Optionally, rename the "Concert Grand Version 1 Presets" folder to "Concert Grand Full".

Add Sample Folders

The Continuata Connect or Conduct downloader will have given you three sample folders for Concert Grand Full:

Concert Grand Full Installation

Concert Grand Platinum Samples

Concert Grand Gold Samples

Concert Grand LE Samples

Add each one of these folders to their preset folder as shown.

Place Concert Grand Full folder

If you downloaded to a standard hard drive, now is your chance to copy Concert Grand or a portion of it to a SSD (solid state drive).

Concert Grand Full Installation

If you wish to put only one version of Concert Grand onto a SSD, just take the version folder that you want (i.e. Concert Grand Gold) and drag it to where you want to run it from.

BACKUP Concert Grand

Make sure you make a backup of Concert Grand. You don't want to download Concert Grand again!

Loading Presets into Kontakt

Choose the version Concert Grand that you would like to load into Kontakt.

Inside the Instruments folder, take the .nki file and drag it into Kontakt.

NOTE: Concert Grand will not show up as a Library within Kontakt.
